

Code of Conduct

The Code of Conduct of Industrial Drone Services (IDS) sets the standards for ethical behavior and professional conduct for all employees, contractors, and business partners.

It guides our actions to ensure compliance with laws, regulations, and company policies, reflecting our commitment to integrity, transparency, and sustainability.

Core Values and Principles

Integrity: We conduct all business activities with honesty and transparency, maintaining rigorous internal controls and regular audits.

Responsibility: Prioritizing safety and well-being, IDS adheres to ISO 45001 standards with comprehensive health and safety protocols.

Sustainability: Committing to environmentally sustainable practices, IDS follows ISO 14001 standards, promoting energy efficiency and waste reduction.

Respect: IDS values diversity and promotes an inclusive workplace where everyone is treated with dignity and respect. We prohibit discrimination based on gender, race, religion, sex, sexual orientation, or any other characteristic protected by law.

Legal and Ethical Compliance

Legal Compliance: Adhering to all applicable laws and regulations through continuous monitoring and training.

Anti-Corruption and Bribery: Enforcing a zero-tolerance policy, IDS trains employees to avoid bribery and conducts regular audits to ensure compliance.

Fair Competition: Competing fairly by adhering to antitrust laws and fair business practices.

Business Conduct and Ethics

Confidentiality: Protecting company information and respecting intellectual property rights with robust data protection measures.

Code of Conduct

Conflict of Interest: Avoiding conflicts between personal interests and professional duties, with clear policies to manage and resolve conflicts.

Supplier Relations: Engaging with suppliers committed to ethical practices, ensuring compliance through regular assessments and audits.

Employee Responsibilities

Health and Safety: Maintaining rigorous health and safety standards, with regular training and risk assessments.

Professional Behavior: Upholding professionalism in all interactions, guided by clear policies on acceptable conduct.

Training and Development: Promoting continuous learning and development through ongoing training programs.

Environmental Responsibility

Sustainable Practices: Reducing environmental impact through energy-efficient technologies and waste reduction initiatives.

Compliance: Meeting or exceeding environmental laws and regulations with regular audits and compliance monitoring.

Innovation: Investing in sustainable technologies to minimize environmental footprint.

Community Engagement

Local Communities: Building positive relationships through community engagement and support, participating in development projects and educational programs.

Human Rights: Respecting and promoting human rights in all business activities. IDS upholds human rights in all operations and throughout our supply chain and strictly prohibits child labor, forced labor, and compulsory labor.
